
Interplan AG does not guarantee that all restrictions, which might affect the construction of your booth, are indicated correctly on this exhibition floorplan.
Interplan AG does not accept liability for any discrepancies which might occur and, in order to be certain, the exhibitor should confirm the measurements and other criteria on site. Any additional costs which might be incurred because of any discrepancy will be at the exhibitor's expense.

Any pillars which exist in the allocated exhibition space must be incorporated and taken into account when designing the booth. Pilars do not entitle for a price reduction.
